

Hi, I'm Hannah.

PRONOUNS: SHE/HER

I'm A Senior UX Designer Who:

Designs Data-driven
User Experiences

Creates Intuitive UI
and Prototypes

Prioritizes Accessible
and Ethical Technology

I drive to develop usable and accessible designs
to create a better world for everyone.

I have experience ranging from UX / UI of custom software
solutions for B2B clients, designing complex systems on agile
teams, to directing impactful user-experience on multi-million
dollar campaigns for Fortune 500 companies.
